THE CELEBRATED

TO THE PEOPLE OF THE WEST,
RECOMMENDED BY THE COMPANY WITH
THEIR OWNERS, and endorsed by the
people who have tried it, this medicine
will reach the homes of every family in the United
States, and the highest and noblest of all the
benefits of its use will be realized. The
medicine's worth has flowed in upon us from
over the water. One agent writes, "your medicine is all potent
in its effects, and it is a pleasure to supply it to my
patients, that the healthy are enabled to keep in fine
health, and it is of no use, the neighbors who learn of its
great success, and advise their friends to use it. The
people of the West are very anxious to get it, and
it is doing with the disease it purports to cure, and
your medicine is working miracles." See, do you not
see, that all that is said of this medicine is true, and
that you will find it all true. It will save a
great many lives, and it will save a great many
dollars.
